Our boy, Mommas Bear, so tough is wrapped in the arms that are NOT mine now as I promised him in the PICU when this all began May 22, 2010 I would never leave him and I was able to hold him before, and sadly after for a few hours when he left this earth March 9, 2014 he is free of cancer there is no more pokes and MRIS and bad medicine and trips to hospitals we ran the race and I know that right now Nicky is running again and all the abilities he was striped of he has all I ever wanted for him just not with us please continue to pray for our family and our oldest Christian who has been such an amazing big brother to Nicky
